GSW policy requires that all students under the age of 21 must live on campus, unless they live locally with immediate family. The ELI strongly recommends that all new ELI students, regardless of age, live on campus during the first semester attending ELI.

****There are three meal plan choices:** 21 meals per week, 15 meals per week, and 10 meals per week. The GSW policy is that all students who live on campus are required to purchase a meal plan.
