

GSW Study Abroad Programs

Student Behavioral Commitment Contract

By signing this contract, I understand that participating in a faculty-led study abroad program requires my commitment to focus on and engage in the learning goals and activities of the program; to be committed to promoting intercultural dialogue; and to conduct myself in a manner that reflects well on myself, the group with which I am sharing this experience, my university, and the country that I represent. I understand that any behavior on my part that fails to meet the program's standards—at the sole discretion of the leader(s) of the program—may result in my dismissal from the program, at my own expense and without a refund. Additionally, I understand that if a course—e.g. UNIV 4000—is attached to the program, my grade may be affected, in accordance with the instructors' grade policies.

I agree to participating in all activities, service-learning projects (if applicable), and group excursions. Poor health is the only permissible reason for not participating in such activities, projects and excursions, and other rationales will not be accepted. I understand that if I am feeling ill at any time during the program I will notify any one of my faculty program directors, who will immediately seek any necessary medical assistance to address my condition.
