

Georgia Southwestern State University

Study Abroad Policies Regarding Alcohol and Drugs

The following policies seek to apply GSW policies in overseas settings. These policies are in addition to the policies outlined in the GSW Student Code of Conduct.

1. Georgia Southwestern State University has a zero-tolerance policy regarding the purchase, sale, possession, or consumption of drugs other than those permitted in the program's host country. Students found to be in possession of or to have purchased, sold, or consumed any illegal drugs or to have misused any prescribed drugs, will be removed from the program at the student's expense and without any refund. If a course—e.g. UNIV 4000—is attached to the program, the student will receive an "F". In addition, the student may face removal from Georgia Southwestern State University, or his/her home institution if a transient student, and other disciplinary action.
2. Alcohol misuse or abuse will not be tolerated. Depending on the severity of the offense, violations may lead to expulsion from the study abroad program at the student's expense and without any refund. If a course—e.g. UNIV 4000—is attached to the program, the student's grade may be affected, in accordance with the instructors' grade policies. In addition, the student may face removal from Georgia Southwestern State University, or his/her home institution if a transient student, and other disciplinary action.
3. Alcohol misuse is defined as alcohol consumption that is harmful or potentially harmful to the program participant or others. Alcohol abuse is misuse that is consistent and systematic. Alcohol misuse may include but is not limited to any of the following behaviors caused by alcohol consumption:
 - a) Absence from academic activities or events;
 - b) Illness or incapacitation;
 - c) Loud, abusive, violent, inappropriate, or disrespectful behavior;
 - d) Destruction of property;
 - e) Disobeying the host countries' laws and regulations;
4. Students are expected to abide by the alcohol and drug laws of the country or countries where they are studying or traveling. It is the responsibility of students to learn and understand the laws and regulations of their host country or countries. Regulatory information for various countries is available at the U.S. State Department's "Consular Information Sheets" (<https://travel.state.gov/content/passports/en/country.html>)
