

## Automatic Electronic Defibrillators

GSW currently has twenty-nine automatic electronic defibrillators (AEDs) placed across campus to date. Use of these devices is automated and instructions are provided by the device when it is opened.

Demonstrations on how to use these AEDs can be arranged through the Office of Public Safety at 229-931-2245 or by email at [public.safety@gsw.edu](mailto:public.safety@gsw.edu).
